TESTIMONIALS

What students & parents say

 **Sabo Masties**
The ability to collaborate in real-time, combined with powerful project tracking features, has made it indispensable for our daily operations.

 **Nella Gerarda**
Framer has helped me turn ideas into high-quality websites with 10x the speed

 **Nella Gerarda**
I used to be a Webflow user. I relied on Webflow for all my freelance projects. However, when Framer was launched, I was amazed by its smooth performance. Typically, it took me around 5 days to complete websites, but with Framer, I did it in just 2 days.
